> **You will be able to choose between:**

Dashboard

The Dashboard is the main screen where you can:

> **View SALTER equipment compatible with SALTER CLOUD:**

> **Visualize the status of the equipment:**

① **Gray:** The console has failed to connect to SALTER CLOUD.

② **Green:** The operation of the machine is correct.

③ **Yellow:** There are some minor faults in the machine that prevent the use of all its functionalities.

④ **Red:** There is a serious fault that prevents the machine from working properly.
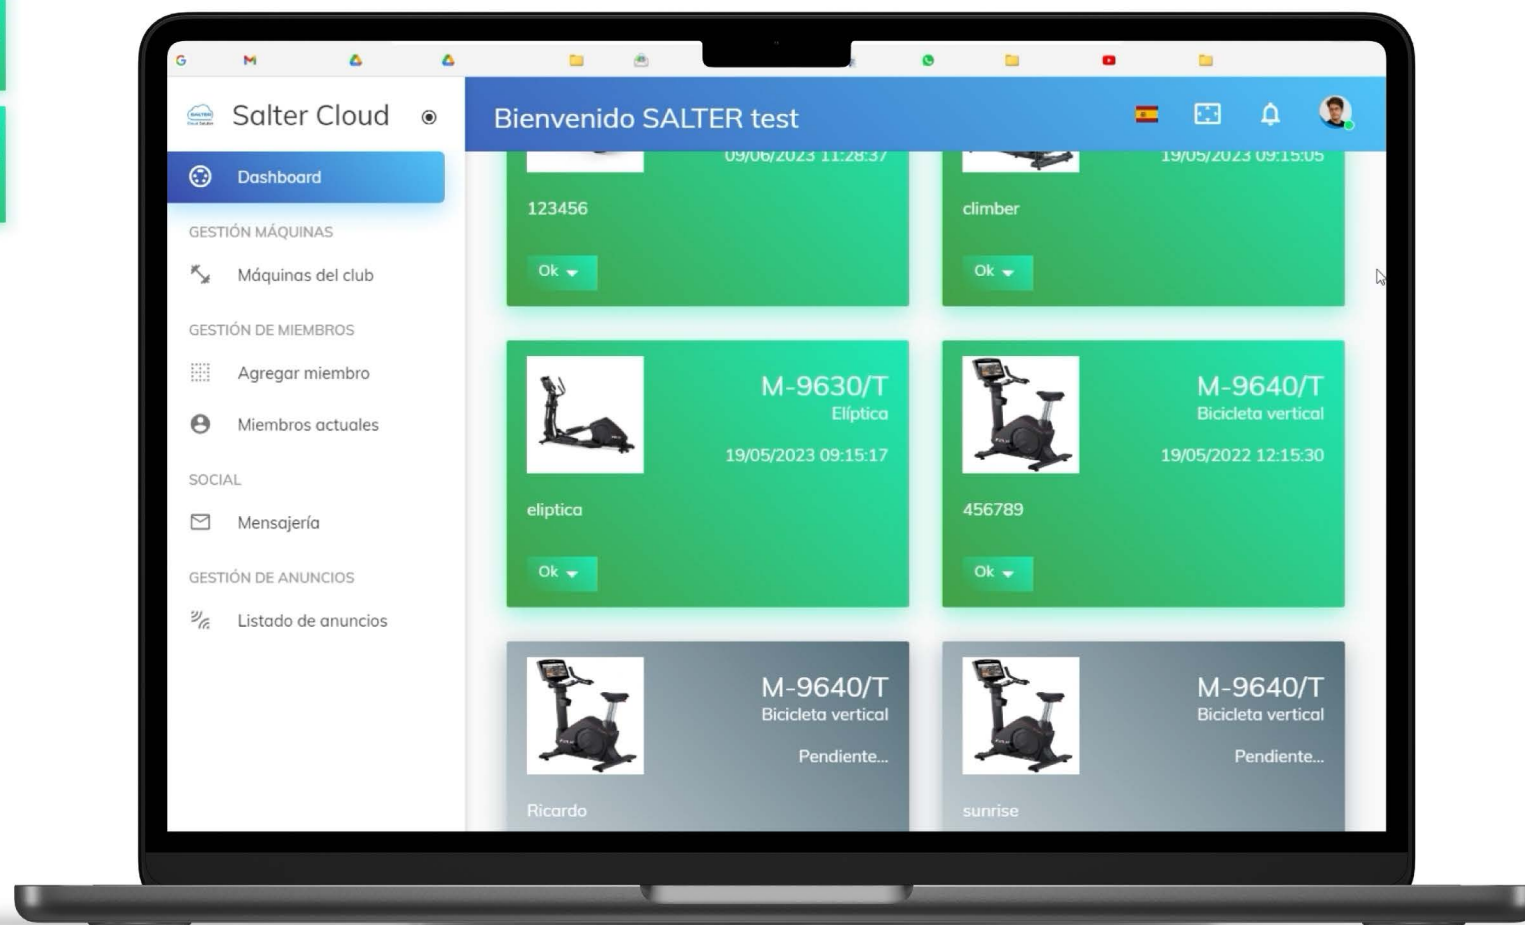

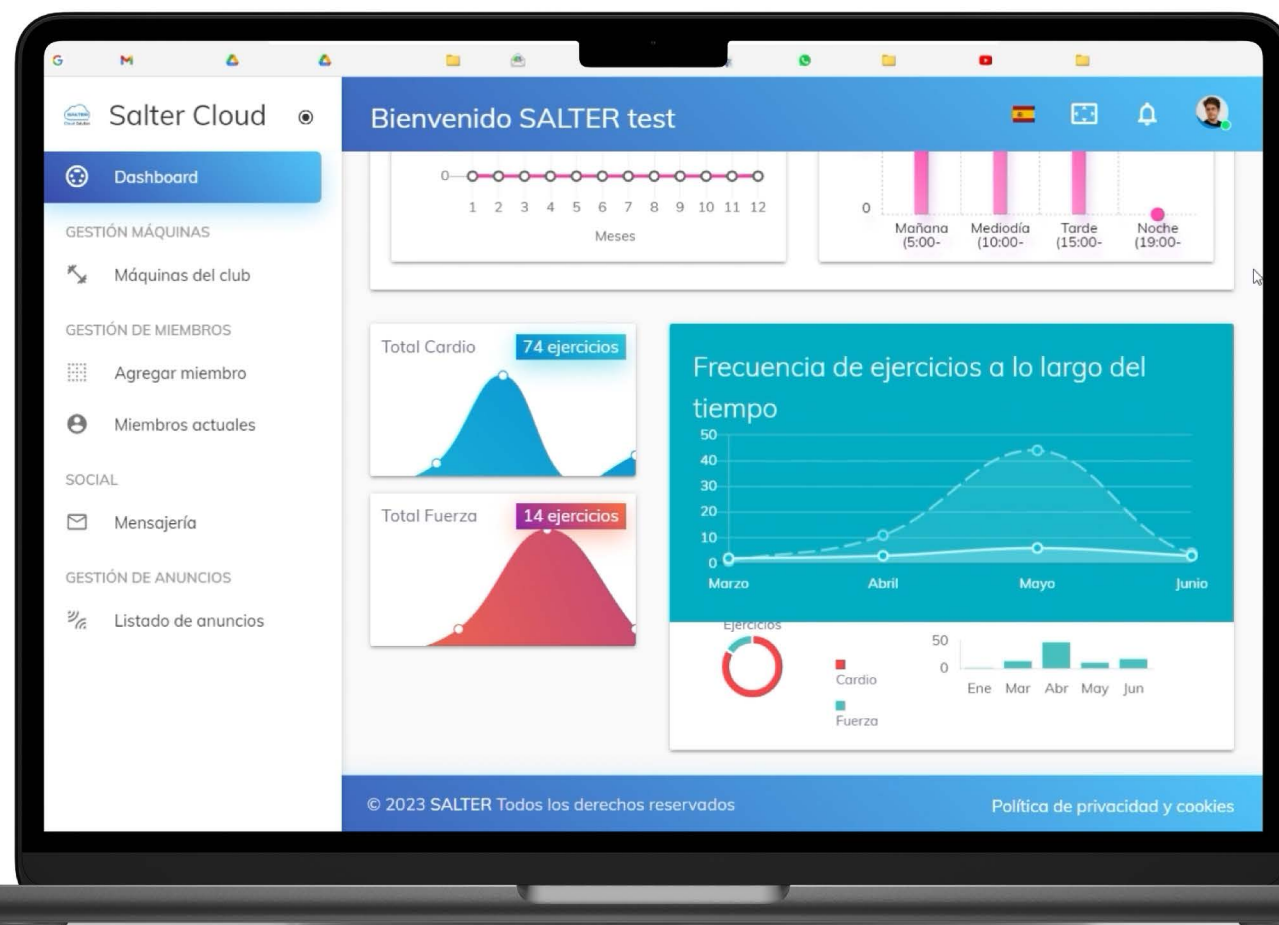

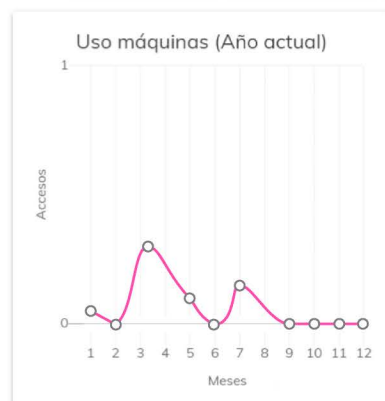

Dashboard

> **View the general usability statistics of this equipment.**

Dashboard > My Profile

> In the upper right area you can access options such as:

1. **Language switching.**

2. **Full screen mode.**

3. **Notifications.**

4. **My Account:** divided into "My Profile", "Messages" and "Logout".

By accessing My Profile, you can:

1. **Modify gym logo:** it will be the same logo that will be displayed on all SALTER CLOUD compatible machines.

   The image must be a png file of 900x208px maximum resolution (max. weight 1MB).

2. **Modify the access password**
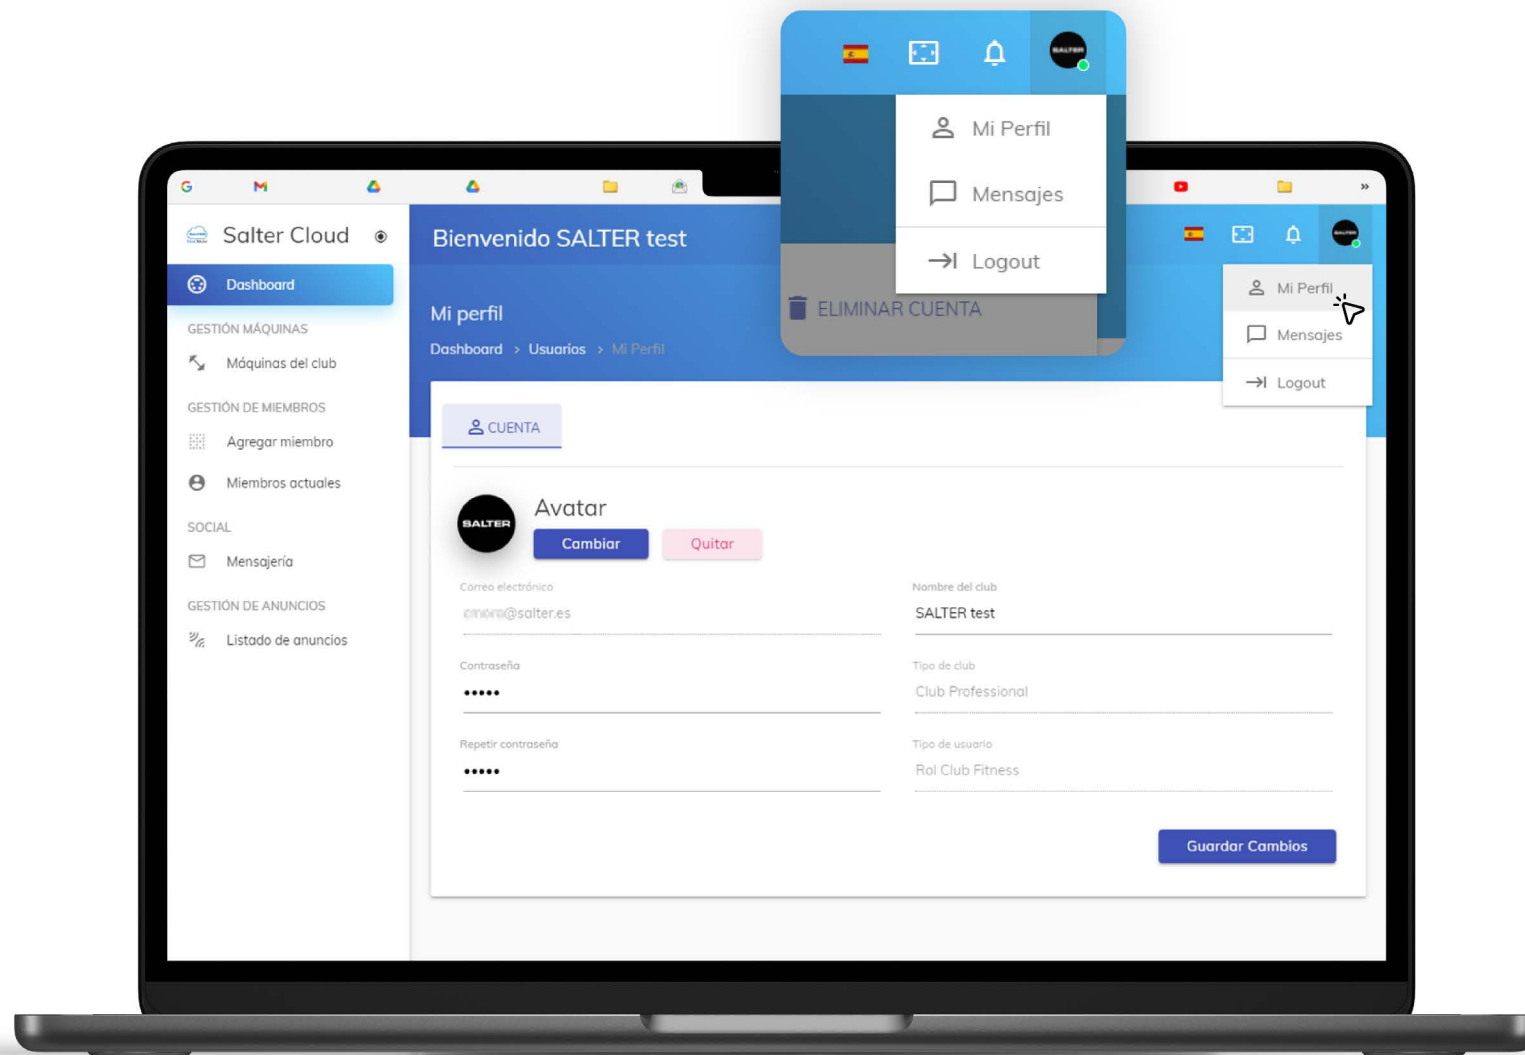

Club's machines

All compatible equipment can be viewed, in addition to:

> **View machines status:** Errors,...

Pendiente ▼   Ok ▼

> **Apply advanced search filters to facilitate the search.**

> **Edit product information:**

1. Location within the club
2. Name of the machine
3. Assign a color code
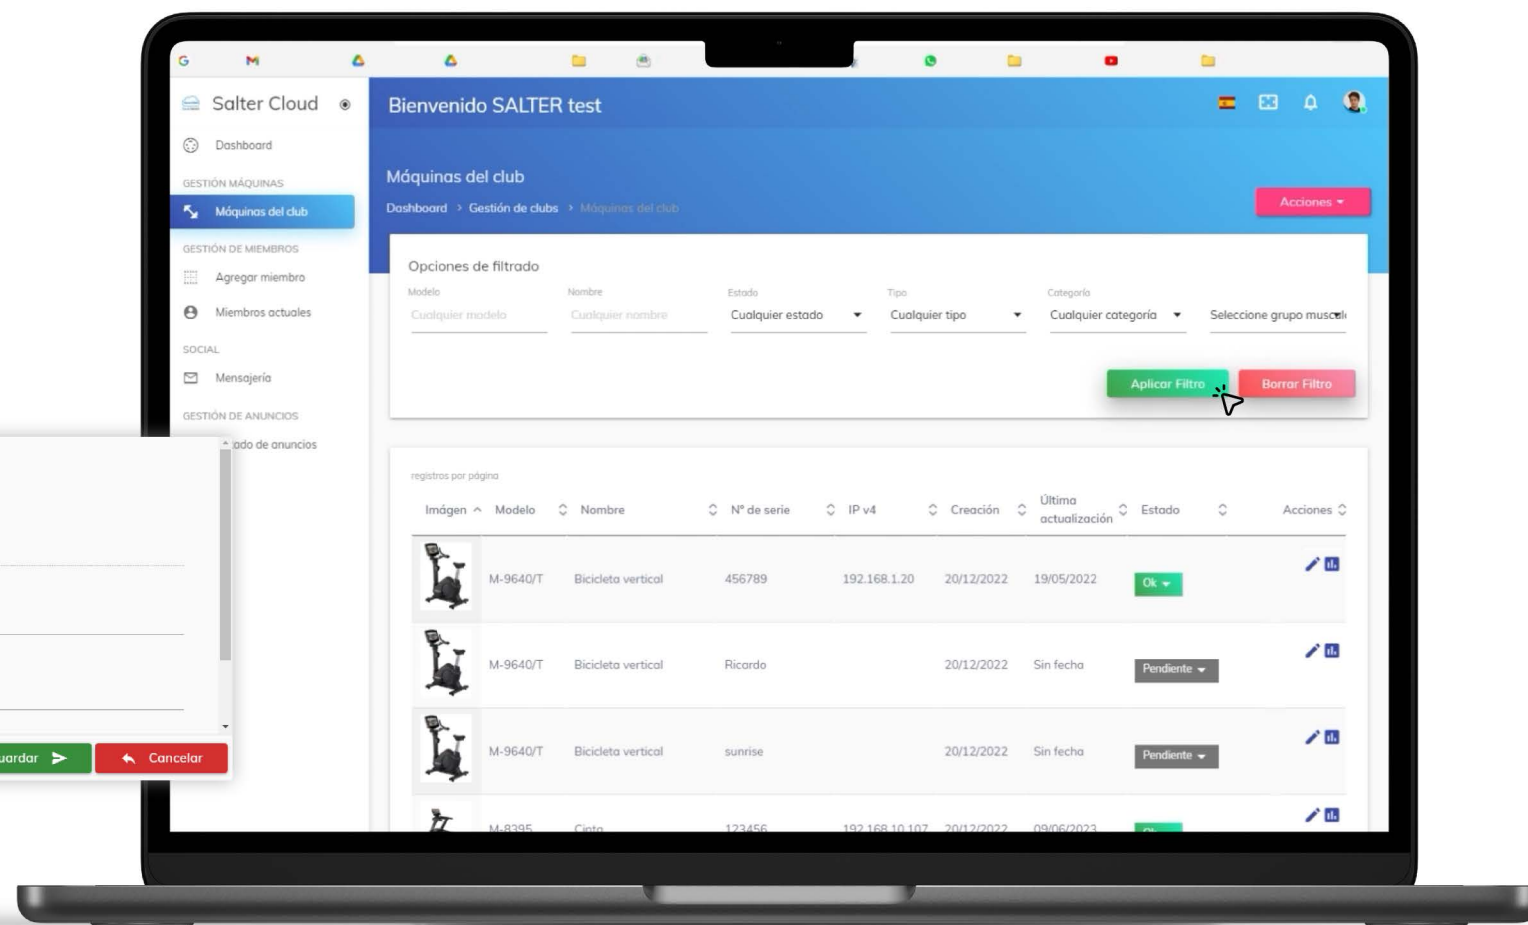

Club's machines

> **View machines statistics:**

Add member

When a new member
joins SALTER CLOUD:

> **He/she will be eligible to be
> added as a gym member.**

> **It is important that he/she
> is not registered in another
> gym with the same email
> address, otherwise he/she
> will not be shown as eligible.**

> Once the member has provided
> the gym with **the email address
> that has been used to register
> at SALTER CLOUD, use the search
> engine to search for him/her.**

> **If the email matches, it will
> be shown at the bottom.
> Then press the button on
> the right to link it to the gym.**

> Once the member is linked,
> **the club and the member
> will be able to communicate
> with messages, which they
> will see through notifications.**

> Besides, the gym will be
> able to **send promotions
> and announcements** to
> all members.
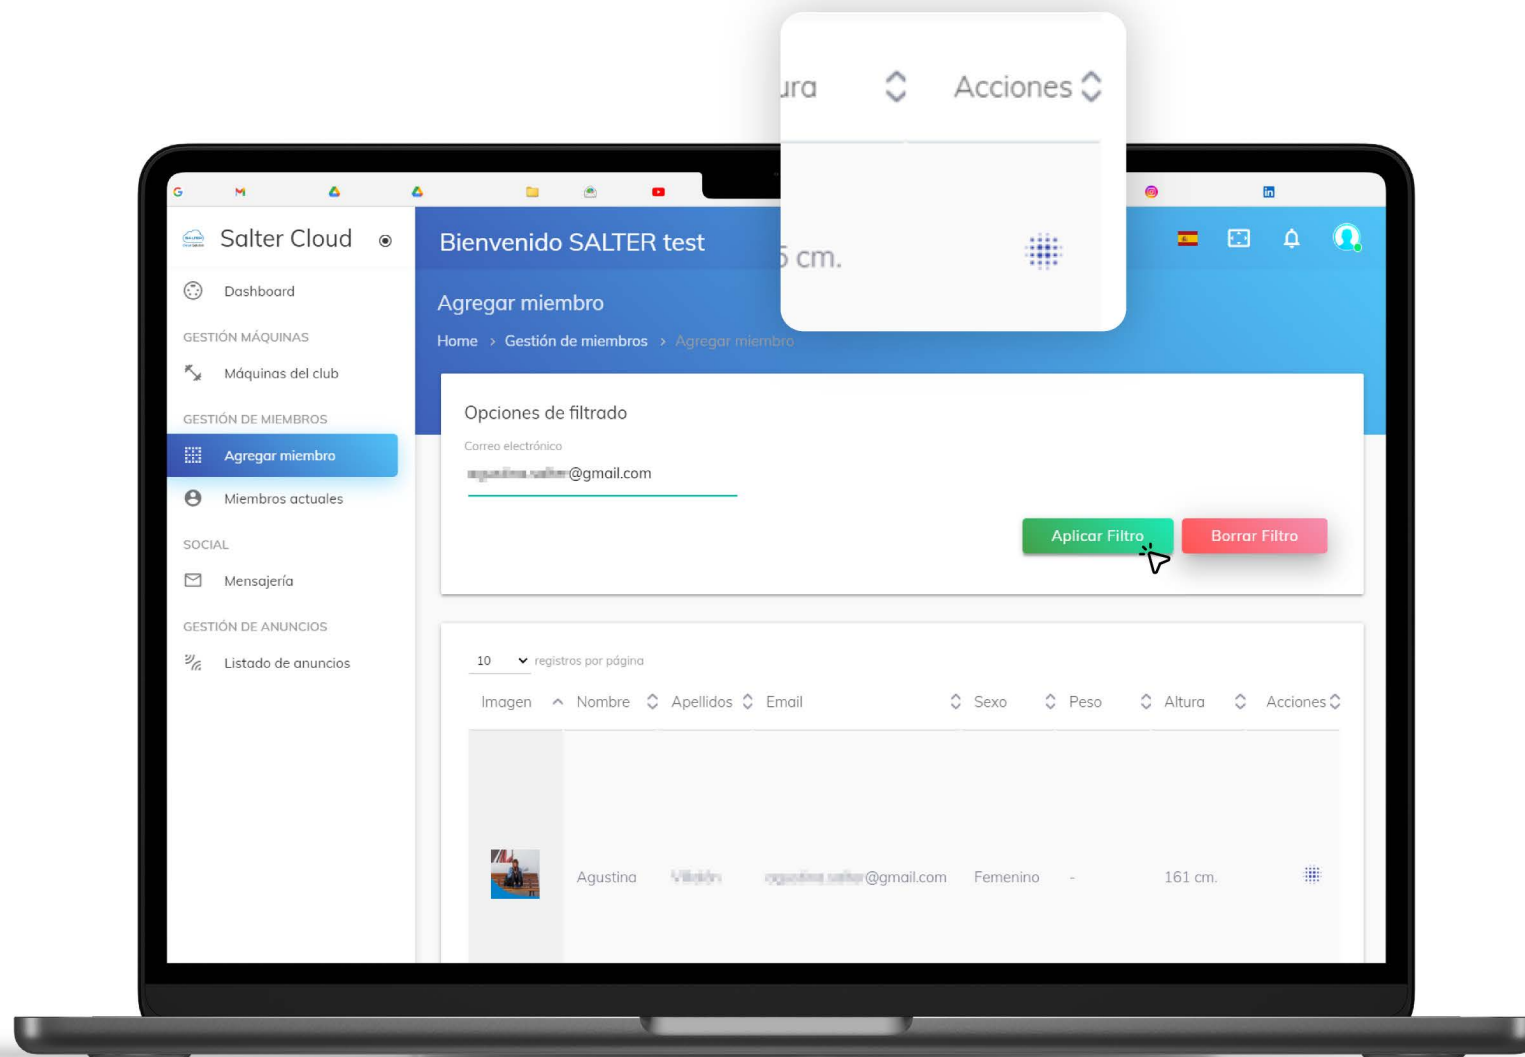

Current members

> You can see here gym's **all current members**.

> You can **filter members by name, surname, email or gender.**

> In case the member leaves the club, **he/she can be deleted.**
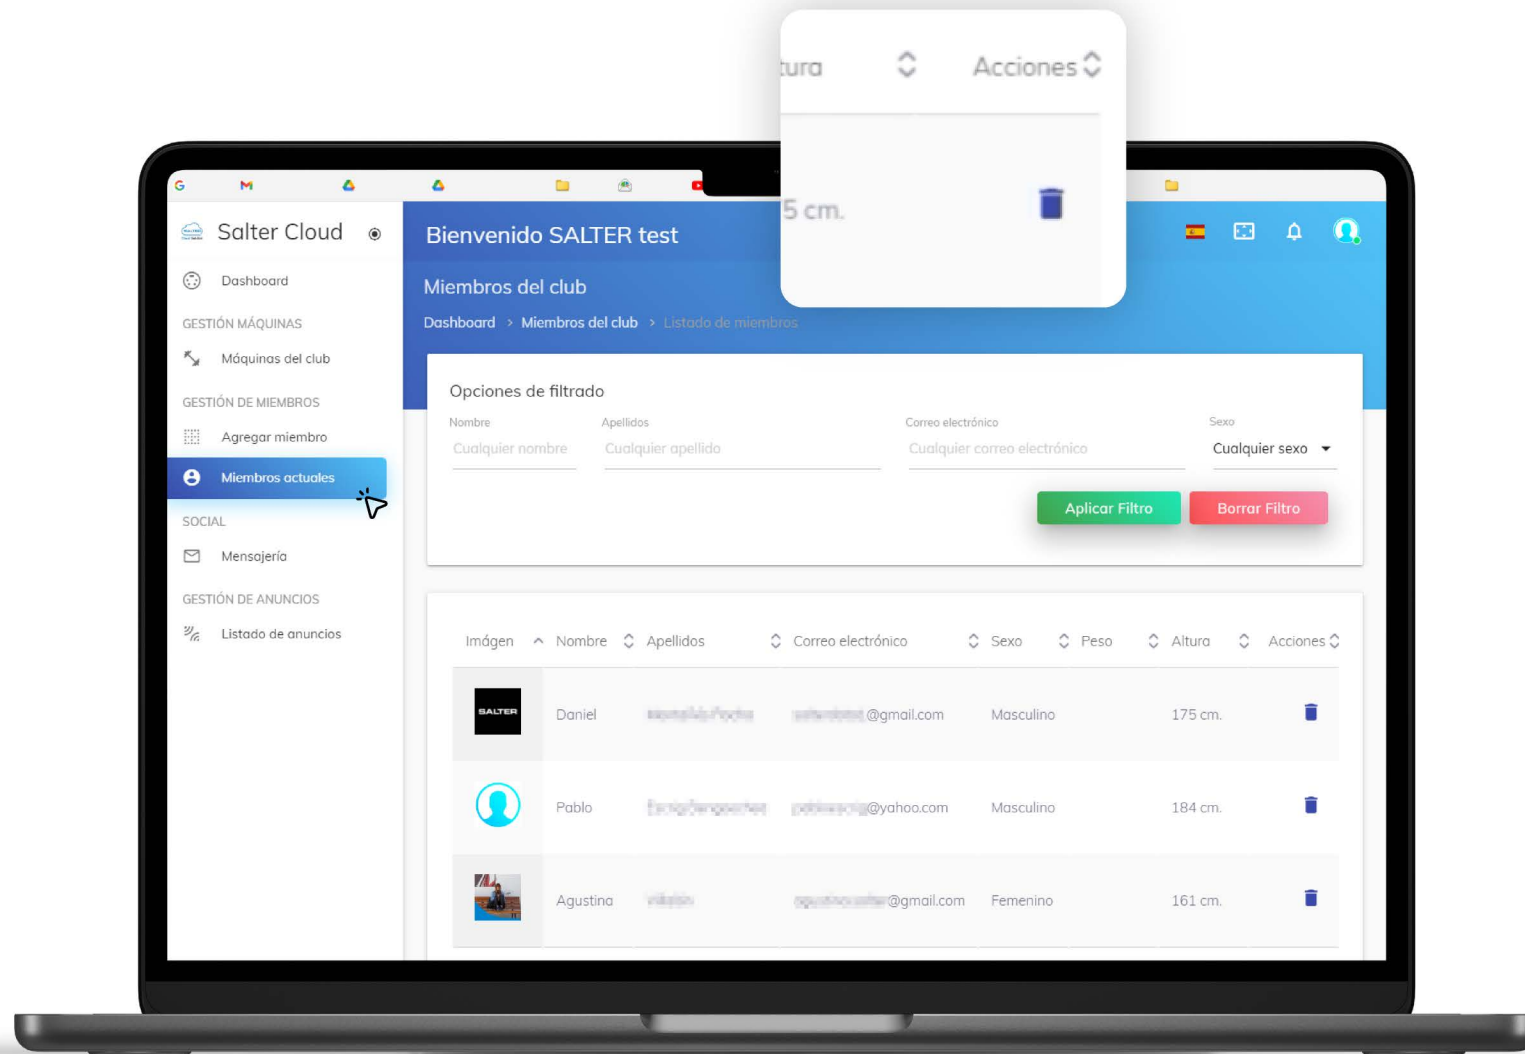

Messenger

> The SALTER CLOUD system has an **internal messaging system to communicate between members and the club and vice versa.**

> To send a message, **select the icon at the bottom right and compose the email. It will only be possible to send e-mails to registered members within SALTER CLOUD.**

> The club may also use this tool to **communicate directly with Salter.**
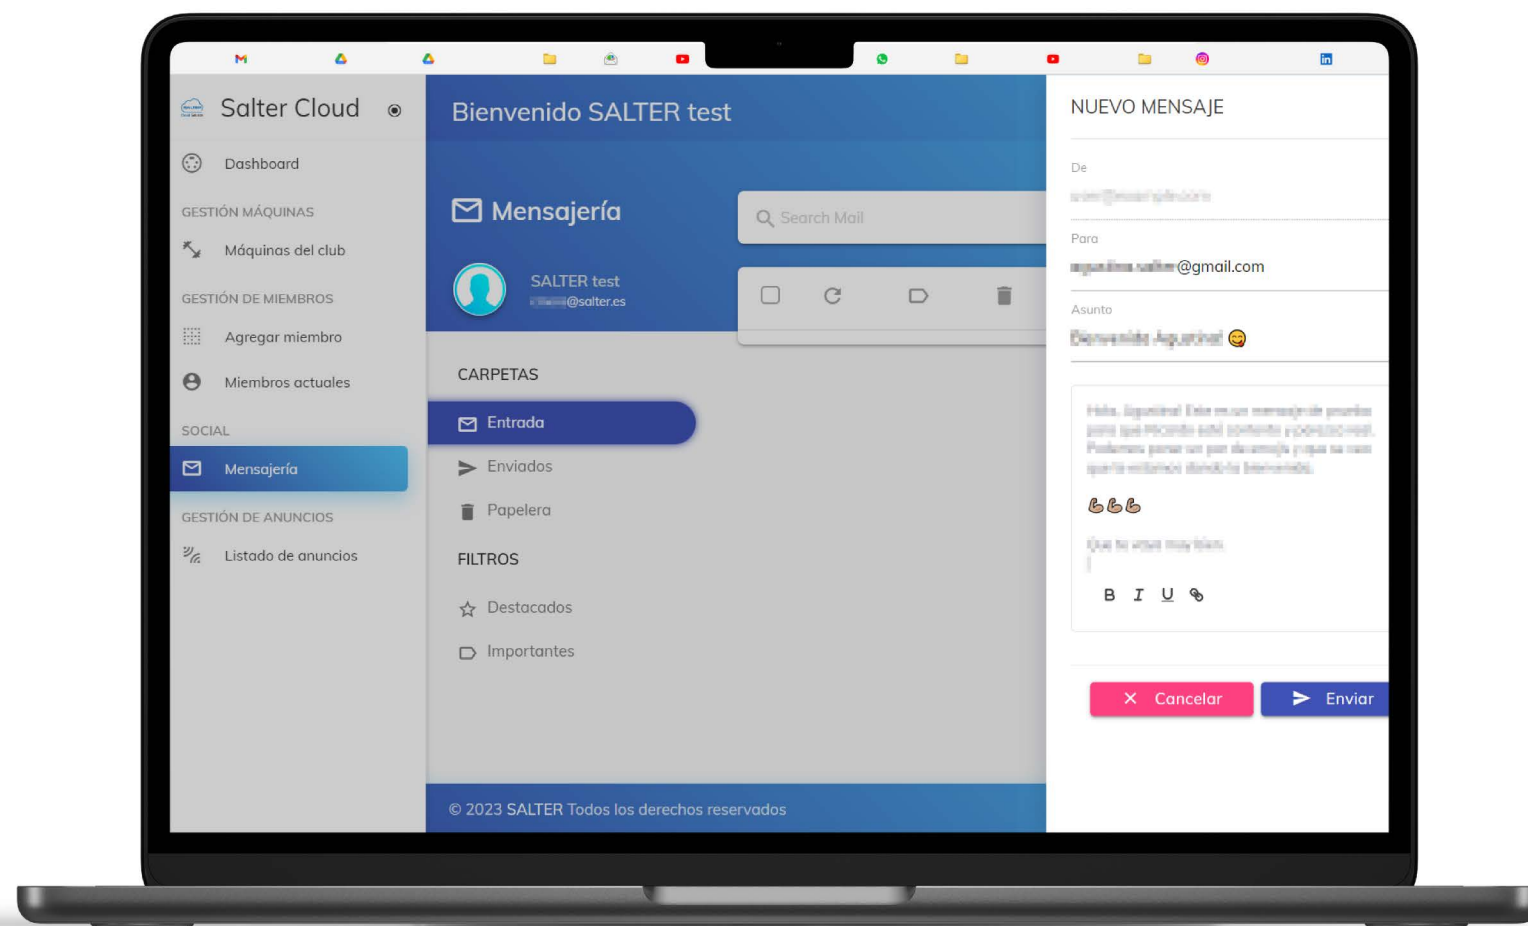

Ad list

> The club is able to **send announcements to its members** which will be visible every time they access their profile at www.salter.cloud.

> In the lower part you will be able **to see the existing ads.**

> To create a new advertisement, click on the upper right button **"Actions" > "New advertisement"** and a window will open to be filled in.

Acciones ▾

The advertising image must meet the following requirements:

① **Maximum size:** 1 mb

② **Format:** .jpg o .png

③ **Minimum resolution:** 800x240px.
